

E3411W-N- Navigator Eye - Stainless Steel - 12v - White LED - Eyelid

Description

E3411W-N is a low energy, high output, white LED deck and recessed light which consumes a small amount of power and stays cool to the touch. The high output 1w white led produces a wide beam diffused by the 28mm diameter frosted lens. Install it to light across individual steps or in a wall about 40cm above a patio or deck.

Installation guidelines

Navigator lights can be arranged in custom layouts using cable joint kits and 1.5mm cable supplied by the reel, which is more flexible than kit-type products. Connect to end of a low voltage cable using T9962 cable joint kit; for splicing into a run of cable use T9963 cable splice kit.

2 YEAR WARRANTY

Exclusions: Damage by machinery, animals or the use of incorrect cleaning materials.
Corrosion due to exposure to salt or chlorine.
Damage due to incorrect installation practices.
Responsibility for 3rd party cost; indirect or consequential loss
