

CDMT70 70w Metal Halide Lamp 3000K - Single Ended 240v

CDMT70 is a 70w warm white metal halide lamp

PHYSICAL DATA

- G12
- Length 90mm
- Tube width 19mm
- Weight 27g

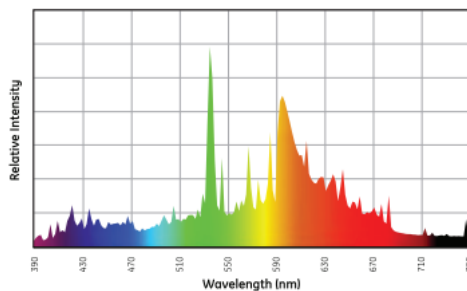

ELECTRICAL DATA

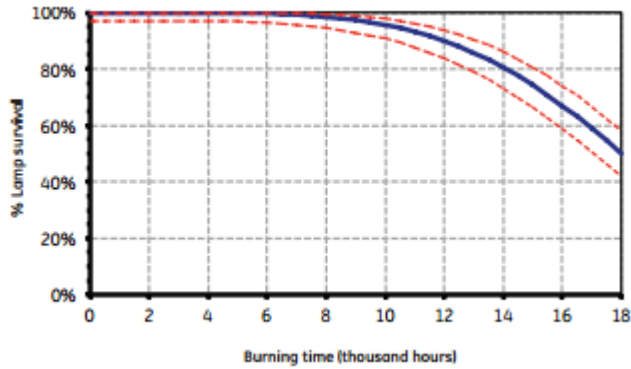

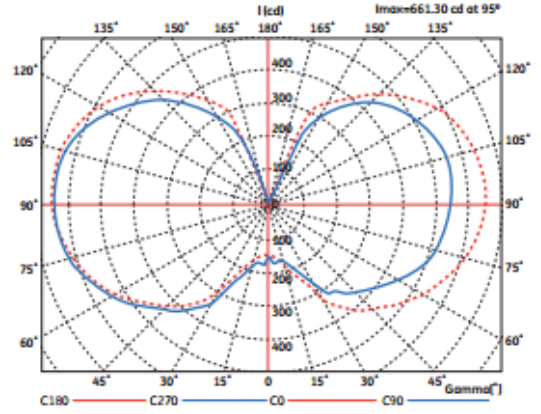

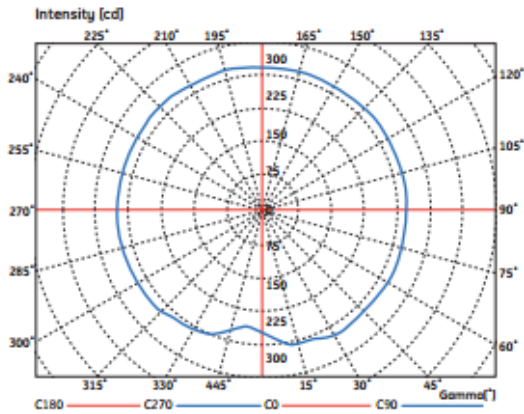

- Nominal Power 70 watts
- Colour Temperature 3000K
- Nominal Output 7000 lumens
- Run up time 180 seconds
- Non-Dimmable
- Average lifespan 15000 hrs
- Energy rating A+

COMPLIANCE & WARRANTY

- 2 Year Warranty
- CE / RoHS Compliant

Spectral power distribution 3000K

Life survival graphs are shown for statistically representative batches of lamps operated under controlled nominal conditions with an 11 hours per start switching cycle. The declared lamp life is the median life, which is when 50% of the lamps from a large sample batch would have failed. Lamp life in service will be affected by a number of parameters, such as supply voltage variation, switching cycle, operating position, mechanical vibration, luminaire design and control gear. The information is intended to be a practical guide for comparison with other lamp types
