

**E9810WW Titan26 Led Spotlight -
240v - 10w Warm White**

The E9810WW is an adjustable wall or spike-mount 240v LED spotlight with an aluminium body and glare shield powder-coated in black. It has a high-efficiency 10w COB led providing light output equivalent to a 75w halogen lamp in a focused 36-degree beam for uplighting trees and focal points.

**PHYSICAL DATA**

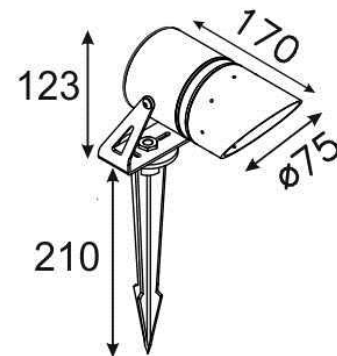

The E9810ww is an IP65 rated spotlight measuring 170mm x 75mm and features an adjustable bracket to allow easy positioning. The body of the light is constructed from aluminium with a black powder coat finish. Supplied ready fitted with a 2 metre heavy duty rubber three core 1.5mm HO7 RNF cable.

ELECTRICAL DATA

240v. Integrally fitted efficient Bridgelux COB (chip on board) LED which gives a focused directional 36° beam of warm white light. 710 Lumen output (equivalent to a 75w halogen lamp). LED lifespan typically 20000 hours.

INSTALLATION

T9966 IP68 in-line connector, T9969 underground burial kit, or any IP rated junction box. **Using a single RCD for large numbers of 240v fittings is not recommended due to the risk of nuisance tripping. We advise the use of separate RCD protection for each circuit and a maximum of 12 fittings per RCD**

**COMPLIANCE & WARRANTY**

- The product is guaranteed for 2 years
- CE / RoHS Compliant
