

EH2622-LED - Larson Downlight Graphite

Description

Larson outdoor down light is a 240v wall or pillar mount model for fixed downlighting and grazing applications to create stylish wall illumination effects. Larson is a modern, box style take on the Elipta Compact Downlight with 1x built-in 7w warm white CREE LEDs, die-cast aluminium body with a modern graphite grey powder-coat finish, which suits both natural brick and rendered walls.
