

E4432 - Compact Up & Down Outdoor Wall Light - Black Aluminium 240v GU10

Description

E4432 Elipta Compact up&down outdoor light is a 240v wall or post mount model for fixed up/downlighting and grazing applications to create stylish wall illumination effects. 240v models utilise GU10 LED lamps which means there is no need for a bulky transformer base and they fit mains wiring points on house walls and pillars. It has flush lenses which shed water and dirt and are easy to clean. Black powder-coated aluminium is a traditional recessive colour choice for garden settings.
