

Elipta P3RTB- Vela Steplight - 12v – Textured Brass Body

Description

Elipta Vela is a compact 12 volt surface mount garden light ideal for lighting steps or around terraces or deck areas where recessing a light is impractical and glare protection is important. Vela may be used with a CAPDISC lamp or G4 LED capsule lamp. Vela is fitted with a 1.5m cable with IP44 Plug&Play connector for easy installation with a range of Plug&Play transformers and accessories. The natural sandblasted brass will weather down to a mottled brown colour over time.
